# SPECLINE™ 2009

The 2009 Doellken-Woodtape SpecLine™ program offers a proven palette of colors, woodgrains and designer patterns commonly used in the woodworking industry. The program has been updated adopting the latest laminate and melamine trends. All colors are available from stock in five different sizes (15/16" x .018", 15/16" x 1mm, 15/16" x 3mm, 1-5/16" x .020" and 1-5/16" x 3mm) in single roll quantity through 2009. Doellken-Woodtape SpecLine™ provides an effective tool to design and promote your individual furniture program.
